

## TRAINING OPPORTUNITIES IN THE SCHOOL OF HEALTH SCIENCES MAY 2014 INTAKE

### (POSTGRADUATE, BACHELORS AND DIPLOMA PROGRAMMES)

Mount Kenya University (MKU) has developed a strong focus on support of Health Science Courses. Pursuant to its commitment to meet the highest Quality standards, the university has worked with Commission for University Education (CUE), Professional bodies and Government Regulatory Agencies to ensure the courses are relevant and industry-driven. Academic programmes are innovative, market driven and are responsive to scientific and technological needs of Kenya. The programmes offered by the university have been accredited by among others;

- Nursing Council of Kenya.
- Pharmacy and Poisons Board (PPB)
- Kenya Medical Laboratory Technicians and Technologists Board (KMLTTB)
- Clinical Officers Council of Kenya (COCK)
- Kenya Nutritionists and Dietitians' Institute (KNDI)
- Kenya Dental Technologists Association and Oral Health Association of Kenya

The University has invested heavily in both Human and Physical Resources necessary for Health Sciences training. This ensures that the graduates from Mount Kenya University are highly sought after by the Health Sector due to their high degree of technical competence. MKU has synergetic academic linkages such as;

- International Centre of Insect Physiology and Ecology (ICIPE)
- Thika Level 5 Hospital.
- Institute of Primate Research (IPR) under National Museums of Kenya
- University of Cincinnati (Research and Students Academic Exchange)
